Maintenance - Janitorial - Safety

Entrance Matting

- Reduces maintenance costs
- Protects your floors
- Improves the air quality
- Enhances the look of your work place
- Diminishes the risk of slips and accidents

Entrance matting is the only preventive solution to minimize the accumulation of dirt in your building. As the first line of defence, remember that a minimum of 15 linear feet of entrance matting will prevent up to 80% of the accumulated dirt from spreading onto your floors.

Did you know?

The cost to remove just one pound of dirt after it is tracked throughout a building can exceed \$500.

Matting Season is Here!

Protect your floors from old man winter. Various styles, sizes and colours available. Contact your sales rep for details.
