Automatic Scrubbers

Fang™ 32T

Large area floor cleaning is quick and effective with Viper's Fang32T. Traction-drive operation, forward and reverse speeds, large 30-gallon tanks, a 32" path, and fingertip controls make cleaning fast and easy. The aluminum parabolic squeegee provides excellent pick-up leaving floors clean and dry. Built to last, the Fang32T carries a 12-year housing warranty and a 5-year warranty on all motors.

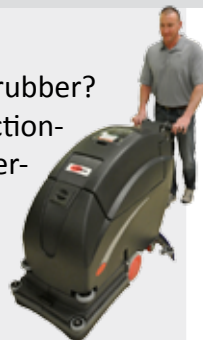

Fang™ 28T & Fang™ 26T

This mid-size scrubber is available in both 28" and 26" cleaning widths. Traction-drive operation, forward and reverse speeds, and fingertip controls provide fast, effective cleaning. The cast aluminum parabolic squeegee offers excellent pick-up leaving floors clean and dry. The scrubber was built to last with a 12-year housing warranty and a 5-year warranty on the motors.

Fang™ 20HD

Looking for the best value in a heavy-duty 20" auto scrubber? The Fang20HD offers 200 pounds of pad pressure, traction-drive operation, forward and reverse speeds, and fingertip controls. The cast aluminum parabolic squeegee makes pick-up easy and complete leaving floors clean and dry. A 12-year housing and a 5-year motor warranty provide years of uninterrupted cleaning.

Fang™ 20

This pad-assist, 20" scrubber has become a popular choice with budget-minded buyers. The unit is easy to operate, and comes with a pad driver, onboard charger, parabolic squeegee, and an extra squeegee blade. Optional 130 or 105 a/h batteries are available. Like all Viper scrubbers, the Fang20 has a 12-year housing warranty and a 5-year warranty on the motors.

Fang™ 18C

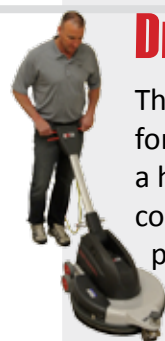

Save time and money with the Fang18C cord-electric scrubber. This compact scrubber is easy to use and maneuver in small areas, and it cleans 5 times faster and better than a mop and bucket system. The 18" path and 8-gallon solution tank make it the perfect size for classrooms, offices, and medical facilities. The standard 12-year housing and 5-year motor warranty applies.

Floor Burnishers

Dragon™ DR2000DC

The Dragon 2000 rpm dust-control burnisher is the ideal choice for commercial facilities needing dust-free, quiet operation and a high gloss shine. This CSA-approved 20" burnisher comes complete with a 1.5 hp motor, flexible pad driver and LED pad pressure indicator. Its fold-down handle makes storage easy. The 12-year housing warranty and the 5-year motor warranty make it the best value on the market.

Venom™ VN1500

The 20", 1500 rpm Venom burnisher is easy-to-use and maneuver while leaving behind a beautiful shine on your floors. Standard features include a heavy-duty 1.5 hp motor, a flexible pad driver, and all-metal construction for years of trouble-free operation. The VN1500 is CSA approved and is backed by a 12-year housing warranty and a 5-year motor warranty.

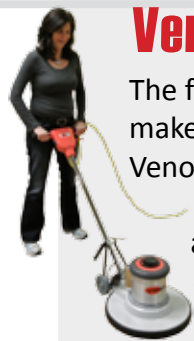

Venom™ VN20DS

The Venom dual-speed floor machine offers both 185 rpm and 330 rpm speeds to meet a variety of floor care needs. From scrubbing to bonnet cleaning, this CSA-approved 20" buffer is built with a 1.5 hp, dc rectified motor, and an all-steel triple-planetary gear box. A 12-year housing and 5-year motor warranty along with its many features make the VN20DS a great value.

Venom™ VN2015 & VN1715

The features, warranty, and price of the Venom floor machines make them the best buy on the market. The CSA-approved Venom buffer is available in both 17" and 20" models. Viper buffers come complete with pad driver, a 1.5 hp motor, and an all-steel triple-planetary gear box. All-metal construction, combined with a 12-year housing warranty, and 5-year warranty means it is built to last.

Striker™ STR3SPD

The Striker air mover provides power, convenience, and value. This blower offers high, medium, and low speeds for a variety of drying needs. An adjustable handle and 4" wheels are built-in making transport easy. The unit is backed by a 12-year housing and a 5-year motor warranty.

Air Mover

Vacuums

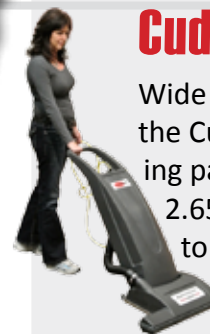

Shovelnose™ SN18WD

Power, ease-of-use, and exceptional value make the Shovel-nose a leader in wet/dry vacuums. The unit features an 18-gallon tank, a 1.17 hp motor, and a 24" front-mount squeegee for fast, complete pick-up. The 5-piece contractor tool kit includes: a crevice tool, a dusting brush, wet and dry pick-up tools, and a 3-piece stainless steel wand. Viper's std. warranty applies.

Cuda™ CUDA2600

Wide area vacuuming just became simple and effective with the Cuda dual-motor vacuum. The unit boasts a 26" cleaning path, a 2-stage vacuum motor, 1300 rpm brush, and 2.65-gallon bag. Its sleek, low-profile design make it easy to use and maneuver in a variety of commercial settings. The Cuda upright vacuum offers a 12-year housing warranty and 5-year warranty on the motors.

Slider™ SL10BOX

The Slider box-style extractor is an excellent choice for your carpet care arsenal. The 12" wand and 15' of hoses allow the operator great flexibility for cleaning tight, hard-to-reach areas. The unit features a 10-gallon solution tank, a 100 psi pump, a 12-year housing warranty, and a 5-year motor warranty. You won't find a better value.

Slider™ SL1610SE

The Slider self-contained carpet extractor combines ease of use and power, with great results. The unit features a 16" path, 10-gallon solution tank, 2-stage vacuum motor, and 100 psi pump. Fingertip operation, twist-lock spray jets, and a clamshell design make operation and service a snap. Combine all these features with a 12-year housing and 5-year motor warranty and it's an unbeatable value.

Wolf™ WOLF130

Make spot removal easy, quick, and complete with the Wolf spotter. The unit comes complete with a 1-gallon removable tank, 30 psi solution spray, 3.5" hand tool, 8' hoses, and 8" large transport wheels. The Wolf is backed by a 12-year housing warranty and 5-year motor warranty.
